Questions?

“Roundtable” Discussion – Board Communications

Background

- HPA-OHT Board-to-Board Governance group has been sunset. This group previously served as a channel for sharing system updates and progress

Solution

- HPA-OHT remains committed to transparent communication across the membership
- Updates will now be provided quarterly – including leadership briefs, accompanying PowerPoint presentations to convey messaging, and impact stories.

Discussion: As your Board receives quarterly updates from the OHT, what would they need to see to feel well-informed and confident in the direction of our shared work?
